Encyclopedia of United States Stamps – 2016 Edition

The United States of America is also referred to as the United States, the USA, the U.S., America, or (archaically) Columbia is a federal republic of 50 states and the District of Columbia. Each of the 50 states has a high level of local autonomy under the system of federalism.

United States - New World Encyclopedia

In the nineteenth century, the United States acquired land from France, Spain, the United Kingdom, Mexico, and Russia, and annexed the Republic of Texas and the Republic of Hawaii. Disputes between the agrarian South and industrial North over states' rights and the expansion of the institution of slavery provoked the American Civil War of the 1860s.

Federal Reserve System central banking system of the United States. Established in 1913, it began to operate in Nov., 1914. Its setup, although somewhat altered since its establishment, particularly by the Banking Act of 1935, has remained substantially the same.

Encyclopedia.com - Official Site

The two volumes are close to 4,000 pages long, and each volume is divided into two parts (Part A and Part B). The PDF files mirror that structure exactly, that is, the two volumes consist of four files in total. Part A of each volume contains a table of contents, and the page numbers match throughout both parts.
