Turning to the merits of the protest, the record shows that the agency disqualified AGI because of the  
contracting officer's conclusion that AGI may have had access to competitively useful, non-public  
information that may have been helpful in preparing its proposal.

Government procurement or public procurement is the procurement of goods, services and construction on  
behalf of a public authority, such as a government agency. With 10 to 20% of GDP, government procurement  
accounts for a substantial part of the global economy.. To prevent fraud, waste, corruption, or local  
protectionism, the laws of most countries regulate government procurement to some extent.

Outsourcing is "an agreement in which one company hires another company to be responsible for an existing internal activity." It often involves the contracting of a business process (e.g., payroll processing, claims processing), operational, and/or non-core functions, such as manufacturing, facility management, call center support). The term "outsourcing" came from "outside resourcing" and ...

Misleading and Unequal Discussions The protester asserts that the agency's discussions were misleading and unequal. Specifically, AT&T contends that AT&T's and CDWG's proposals were both evaluated to have potential bias in their multi-carrier approaches, but only CDWG's technical exchange addressed potential bias.
