### **Five Curriculum Outlines - OECD.org**

An English language learner (often capitalized as English Language Learner or abbreviated to ELL) is a person who is learning the English language in addition to his or her native language. The instruction and assessment of students, their cultural background, and the attitudes of classroom teachers towards ELLs have all been found to be factors in ELL student achievement.

7 Aistear: the Early Childhood Curriculum Framework User guide Perspectives on the relationship between education and care (Hayes, 2007) Children's early learning and development (French, 2007) Play as a context for early learning and development (Kernan, 2007) Supporting early learning and development through formative ...

### **User guide - ncca.biz**

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.
