Now, your interest payments alone each month total \$182 a month (\$107 from the credit cards and \$75 from the credit union). This leaves you with \$351 each month to apply to the principal of the debt. Applying that extra amount to the credit card debt each month will eliminate that debt in one year.

10 Steps To Escape From Debt & Build A Financial Future

In The Debt Escape Plan, I promised you a basic budget template so you can play around with the numbers. You don't have to buy the book to have access to the templates, but I promise you, you'll have a better understanding of how to use them if you read the book.
