

etymological dictionary of egyptian pdf

The Egyptian language was spoken in ancient Egypt and was a branch of the Afro-Asiatic languages. Its attestation stretches over an extraordinarily long time, from the Old Egyptian stage (mid-3rd millennium BC, Old Kingdom of Egypt). Its earliest known complete written sentence has been dated to about 2690 BC, which makes it one of the oldest recorded languages known, along with Sumerian.

Egyptian language - Wikipedia

A dictionary, sometimes known as a wordbook, is a collection of words in one or more specific languages, often arranged alphabetically (or by radical and stroke for ideographic languages), which may include information on definitions, usage, etymologies, pronunciations, translation, etc. or a book of words in one language with their equivalents in another, sometimes known as a lexicon.
