Crocodylia (or Crocodylia) is an order of mostly large, predatory, semiaquatic archosaurian reptiles, known as crocodylians. They first appeared 83.5 million years ago in the Late Cretaceous period (Campanian stage) and are the closest living relatives of birds, as the two groups are the only known survivors of the Archosauria. Members of the order's total group, the clade Pseudosuchia, appeared ...

The brown bear (*Ursus arctos*) is a bear that is found across much of northern Eurasia and North America. It is one of the largest living terrestrial members of the order Carnivora, rivaled in size only by its closest relative, the polar bear (*Ursus maritimus*), which is much less variable in size and slightly larger on average.. The brown bear's principal range includes parts of Russia, Central ...

Turtle Poetry . Over the years, Chelonian Research Foundation has been collecting and publishing Turtle Poetry. We started this in 1996 as a regular feature in our scientific journal, Chelonian Conservation and Biology, and have also published some turtle poetry in Chelonian Research Monographs. Inspired by early input and suggestions from Carol Conroy and J. Nichols, the feature has become a ...

Environmental Awareness - Naturalist Intelligence Environment is the area in which we live and share. The thin layer of air that surrounds our planet that supports life. Humans are the only kind of life that we know of that exists in our universe. If we did not have our environment we could not exist.

A new perspective on global reptile pet trade based on key expert testimony from around the world " Many reptile species controlled under current policies remain illegally/unsustainably traded to supply the

international reptile pet market, with rare and endemic species most threatened.

Trade in live reptiles, its impact on wild populations

As noted in the Introduction, our intent was to continue to add to our collection of quote mines. This is the first such addition and no fitter subject could be chosen than to address some more quote mines of Charles Darwin. However, since these quotes are not from a single source, as was the case in the original Quote Mine Project, there are some differences in how they are organized. Before ...
