

fifty inventions that shaped pdf

China has been the source of many innovations, scientific discoveries and inventions. This includes the Four Great Inventions: papermaking, the compass, gunpowder, and printing (both woodblock and movable type). The list below contains these and other inventions in China attested by archaeological or historical evidence. The historical region now known as China experienced a history involving ...

List of Chinese inventions - Wikipedia

The timeline of historic inventions is a chronological list of particularly important or significant technological inventions and the people who created the inventions.. Note: Dates for inventions are often controversial. Inventions are often invented by several inventors around the same time, or may be invented in an impractical form many years before another inventor improves the invention ...
