### **Flight Of The Earls - 159.203.67.118**

The "flight of the earls" is considered one of the most intriguing events in Irish history. Traditionally, historians explaining this event have been divided into two schools of thought. Some have depicted the earls as offended innocents, forced into exile by unwarrantable pressure from Lord Deputy Chichester's administration.

The flight of the earls on September 4th, 1607, was the first of many departures from Ireland by native Irish over the following centuries. The flight of the earls on September 4th, 1607, was the first of many departures from Ireland by native Irish over the following centuries.

### **The Flight of the Earls | History Today**

It's 1846 in Ireland. When her family's small farm is struck by famine, Clare Hanley and her younger brother, Seamus, set out across the ocean to the Promised Land of America.

### **Flight of the Earls - LifeWay**

This post was originally written on Quora in answer to the question: "Irish History: What was the "Flight of the Earls", and why was it important?" This is my response: It probably matters most because of what it symbolised. The northern part of Ireland, where the earls in question came from, was the part that resisted for longest English attempts to control the island.

### **The Flight of the Earls - Irish History Compressed**

The manuscript was untitled; Meehan called it "the narrative of the Flight of the Earls". When the manuscript's first full translation by Father Paul Walsh appeared in 1913-4, it appeared under the title The Flight of the Earls, due to the influence of Fate and Fortunes.
