Dice (singular die or dice; from Old French *dā*; from Latin *datum* "something which is given or played") are small throwable objects that can rest in multiple positions, used for generating random numbers. Dice are suitable as gambling devices for games like craps and are also used in non-gambling tabletop games.

Figure Eight Island is a North Carolina barrier island just north of Wrightsville Beach, widely known as an affluent summer colony and vacation destination. The island is part of the Wilmington Metropolitan Area, and lies between the Intracoastal Waterway and the Atlantic Ocean. As a private island, Figure Eight can only be reached by boat or via a guarded causeway swing bridge – the only ...

Although each stream looks alike outwardly, they are vastly different. The one on the left is known in our literature as the Sons of Cain. They are full of positive energy and are the craftsmen of the world, the three-messen, who carve their way through life, rather enjoying the obstacles which they know strengthen the character; they

Not true. There are a lot of drug regulations in Europe as well. The situation is better anyway. I think that is because the approving agencies are national (although they frequently copy each other's approvals) and everything that can be legally sold in one country is easily transported into another, leading to a kind of competition between regulators.
