Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between spouses that establishes rights and obligations between those spouses, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family through marriage). The definition of marriage varies around the world not only between cultures and between religions ...

Stage the intervention. Help comes in many forms, and must be forced sometimes. It is a hard decision to make, but one that is necessary if the person's mental condition has spiraled out of control and the person's life is in danger. While an intervention will likely be overwhelming to the person, the intent is not to put the person on the defensive.

Marital rape or spousal rape is the act of sexual intercourse with one's spouse without the spouse's consent. The lack of consent is the essential element and need not involve violence. Marital rape is considered a form of domestic violence and sexual abuse. Although, historically, sexual intercourse within marriage was regarded as a right of spouses, engaging in the act without the spouse's ...
