Hers to Choose (Cannon Cousins Book 1) - Kindle edition by

Hers to Choose is the first book in the Cannon Cousins series by Lizzie Ashworth. I found this book to be well written. The main and secondary characters were interesting and realistic.

Hers to Choose (Cannon Cousins, #1) by Lizzie Ashworth

Hers to Choose is a great novel about love and choices but also about hot dominance with two men. In my opinion the beginning of Hers to Choose is a little confusing because of the influx of character names and the jump right into the action without much of a back story.

As was mentioned in the article about scanning photos and documents on Canon® scanners, the MP Navigator EX® software includes the function of scanning to the PDF file format. This is very useful because of the compatibility of this file format, especially on occasions that require sharing or publishing in a portable document format.
