Labour law (also known as labor law or employment law) mediates the relationship between workers, employing entities, trade unions and the government. Collective labour law relates to the tripartite relationship between employee, employer and union. Individual labour law concerns employees' rights at work also through the contract for work. Employment standards are social norms (in some cases ...

John Dorney looks at secrecy and transparency in independent Ireland. The Irish state, since gaining its independence in 1922, has been one of the few countries in Europe to maintain an unbroken record of democratic governance. However, at the same time, this state has also been marked by a certain authoritarianism

### **A Short History of Freedom of Information in Independent**

The Constitution of the ILO was drafted in early 1919 by the Labour Commission, chaired by Samuel Gompers, head of the American Federation of Labour (AFL) in the United States. It was composed of representatives from nine countries: Belgium, Cuba, Czechoslovakia, France, Italy, Japan, Poland, the United Kingdom and the United States.
