We develop and describe a framework for research in digital marketing that highlights the touchpoints in the marketing process as well as in the marketing strategy process where digital technologies are having and will have a significant impact.

Digital marketing: A framework, review and research agenda

Table 1 summarizes the key functions of destination management drawn from core studies in this field, that is those which focus specifically on destination management. The table should be regarded as indicative as some variation in terminology occurs from one study to another. Moreover, a specific function such as destination marketing can incorporate a range of activities.

Recently I have been approached by some of my close friends to join some chain marketing company. Normally, chain marketing companies work on the principle of Pyramid Scheme. A pyramid scheme is a non-sustainable business model that involves the exchange of money primarily for enrolling other people into the scheme.
