INTENSIVE COURSE ON COMPETITION ECONOMICS: ABUSE OF DOMINANCE

Global Commodity Markets: Intense Competition Despite Increasing Concentration As in other sectors, the process of globalisation in the mining industry has been under way for many years now. The increasing concentration among the suppliers of certain commodities on a small number of international mining corporations had given rise to fears that

Global Commodity Markets: Intense Competition Despite

First, four axioms are proposed that a measure of intensity of competition should satisfy. Then the effects of intensity of competition on the value of the innovation are analysed. And it is shown that the axioms imply the existence of a non-monotone relation between intensity of competition and the value of an innovation.

Intensity of competition and the incentive to innovate

It is concluded that measures should be taken to modify present training and competition schemes to avoid the deleterious effects of intensive physical activity on these children.
