Residential Engineers. PROFESSIONAL ENGINEERS for SMALL or RESIDENTIAL PROJECTS. Although the Structural Engineers Association of Washington does not make referrals of engineering services, the search mechanism below contains SEAW members who have indicated that they specialize in smaller or residential projects.

Residential Engineers - Structural Engineers Association

Structural engineering is a sub-discipline of civil engineering in which structural engineers are trained to design the 'bones and muscles' that create the form and shape of man made structures. Structural engineers need to understand and calculate the stability, strength and rigidity of built structures for buildings and nonbuilding structures. The structural designs are integrated with those ...
